Haven pharmacy liaison recognized as Pharmacy Technician of the Year *Honored by the Alachua County Association of Pharmacists*

(GAINESVILLE, Fla.)— Judy Vann, pharmacy liaison with Haven Hospice, has been awarded Pharmacy Technician of the Year by the Alachua County Association of Pharmacists (ACAP).

Vann manages Haven’s pharmacy help desk and collaborates with all four of Haven’s care centers in ordering medication and ensuring protocol and standards. She also reviews product shortages and makes appropriate product substitutions to ensure all necessary medications are available for the care centers.

The award recognizes an individual who has demonstrated excellence in the role of a pharmacy technician for the advancement of the practice of pharmacy. Nominations for the award were based on a person who enhances the role and image of pharmacy technicians in the workplace and who is building quality in their every day roles.

Vann has been serving as pharmacy liaison since January of 2006 and serves Haven’s 18-county coverage area including each of the four care centers. Vann is a member of ACAP and registered with the Florida Board of Pharmacy.
